One

## Recommended needle size:

1 US #4/3.5mm double-point needles OR longer circular for magic loop method

1 US #6/4mm double-point needles OR longer circular for magic loop method

Who cares? But, OK, rows 1-12 of lace pattern produces about 5cm/2", ribbing not included in this measuring.

## Abbreviations:

*K*- knit

*P*- Purl

*M1P*- Make 1 stitch: Insert left needle, from front to back, under strand of yarn which runs between last stitch on left needle and first stitch on right needle; PURL this stitch through back loop.

*SSK*- slip 2 stitches as if to knit, then knit those 2 stitches together

*K(P)2tog*- knit (purl) 2 sts together

*MB*- Make Bobble- knit in the front and back of stitch 2 times, slip 4 sts. you just made back to left needle, do NOT turn, pull yarn tightly in back of work (like working i- cord) and knit 4, one more time slip them back to left needle and knit 4, pass 3 knitted sts over first, one at the time- now you should have 1 stitch on right needle
